

# 2020 SBAA Grand Prix

## Virtual 1 Miler

The Route ([www.strava.com/segments/24312309](http://www.strava.com/segments/24312309))

**The Start:** The start is at the very north end of Glen Annie Rd, about 1.8 miles north of Cathedral Oaks (Note: Glen Annie Rd is called Storke Rd south of the 101). You must start within arms-length of the “END” sign.

**The Finish:** The finish is 1 mile south of the start (you may want to run slightly over 1 mile to make sure that Strava recognizes your run as including the full segment)

### **CAUTION**

**GLEN ANNIE RD IS AN OPEN ROAD WITH CAR/TRUCK TRAFFIC, HIDDEN DRIVEWAYS, AND BLIND CORNERS.**

**Aside:** Glen Annie Ranch was named by Colonel William Welles Hollister after his wife, Hannah Annie James Hollister. Did she intentionally set fire to her own home in 1890? (<https://www.independent.com/2014/05/14/glen-annie-road/>)
